

Think globally – Get together and act locally

31st International Leadership Workshop for Rural Youth

09th to 23rd August 2023

Think globally – Get together and act locally

31st International Leadership Workshop for Rural Youth 09th to 23rd August 2023

For managers and multipliers from all over the world who hold positions of responsibility in the field of youth work or vocational training in rural areas.

Do you want new impulses?

Develop your personal strengths, learn to use them better and develop your skills to make the most of your country's resources. The international dialogue of this workshop opens new perspectives in rural youth work and strengthens your leadership skills by learning implementation strategies and developing a personal action plan.

Be part of it!

The 31th International Workshop is organized by the German Federal Ministry of Food and Agriculture and takes place at the "Haus der bayerischen Landwirtschaft" in Herrsching, the central educational institution of the Bavarian Farmers' Association.
